

Your voice matters.

“Our Community, Our Future”

The Western Kansas Community Foundation (WKCF) invites residents of **Cimarron, Hugoton, Lakin, and Liberal** to share what matters most in **your** community.

This short (5-10 minute) survey is the first step in a community-driven initiative to:

- *Identify local priorities and needs*
- *Bring people together around shared goals*
- *Invest \$10,000 of grant funding in projects that reflect your community’s top priorities*

Why should I participate?

Because this isn’t **just** a survey - it’s a chance to guide real investment in **your community**. **Your** responses will help identify top needs in **your community**, inform a local grant opportunity, and support projects designed by and for **your community**.

PLUS - all responders will be entered into a drawing for a gift card to a business in your community.

Questions? Contact michelle@wkcf.org or call the WKCF at (620) 271-9484
